No drama, no drama
So famous

Yeah, no drama, no drama
No drama

Watch me intensely, awakening with the crowd cheers
Shall I turn everything I touch into diamonds
Those eyes gazing at me, shall give you a pearl
(No drama, no drama)

When did it begin? I was taken over
And now I'm drowning in darkness without fear
Since the shadows on both extremes began occupying me
I attained this status

Famous (I'm so fabulous)

(No drama, no drama)

Ah, yeah
I don't need a special scheme for
You to become mine
If this is a prologue to our love
Just do me right

Emotions being eaten away by this ballooning bad romance
This beat is a potion that encroaches on the body

This imagination, this gimmick
They both exist for me to love you
On the white sheet
Let's make the finest rose blossom tonight

Famous famous (I'm so)
