드래곤 드래곤 dragon (final dragon)  
드래곤 드래곤 드래곤 드래곤 (you're lonely soldier)  
드래곤 드래곤 드래곤 (드래곤 드래곤 드래곤)  
드래곤 드래곤 드래곤 (you are forever)  
I'm the final dragon

Ah, coming now, coming now  
Yes, Don't be afraid  
Yes, I'll protect you till the end  
This world is crazy crazy

드래곤 드래곤 드래곤  
드래곤 드래곤 드래곤 드래곤 (you are my courage)

드래곤 드래곤 dragon (final dragon)  
드래곤 드래곤 드래곤 (you're only soldier)  
드래곤 드래곤 드래곤 (드래곤 드래곤 드래곤)  
드래곤 드래곤 드래곤 (you are forever, you are forever, you are forever)  
I'm the final dragon

Awaken and become the final dragon  
Yes, the final dragon

Like a siren that cuts through the still of the night  
Your voice calls out my name  
Inside the thick fog shrouding everything  
I hastily run about, pushing my way through  
No one would want to lose himself now

It's not that it's not scary, and yet I go on

Before your faint voice fades away  
I go to where you are

Go forth

Now, be released and soar high, dragon (final dragon)  
To the blue far side reflected on the spring/fountain (you're the only soldier)  
Become the thunder that announces the time (in order to hand down eternity)  
Dash through the sky with your true form (you are forever)  
I'm the final dragon

The violence that seems to continue to intensify  
I won't let you see it  
Led by raw fury  
I'm stirred up

The things I don't want to give up, the things I have to protect  
I go to where you are

Go forth

Now, raise your voice and scream, dragon (final dragon)  
With that profound sadness reflected in your eyes (you're a lonely soldier)  
Even if there's pain, swallow it up (in order to hand down eternity)  
Challenge the sky with your true form (you are forever)  
I'm the final dragon

Ah, coming now coming now  
Yes, don't be afraid  
Yes, I'll protect you 'til the end  
This world is crazy, crazy

Even if I'm injured, even if I'm destroyed  
This body will be a shield to protect you (you are my courage)

Go be released and soar high, dragon (final dragon)  
To the blue far side reflected on the spring/fountain (you're the only soldier)  
Become the thunder that announces the time (in order to hand down eternity)  
Dash through the sky with your true form (you are forever)  
I'm the final dragon
