I don't wanna say goodbye
Goodbye, goodbye
Goodbye

If only I could hold you in my arms
And walk together
In front of my eyes that are looking at you
Inside your eyes that are looking at me
There's a future that we have to follow

Waving hands to our days
That are fading away
I walk sadly in front of my eyes that
Turned dark like a candle that stopped burning

Just like how falling flower petals greet
I'm smiling with lonely tears
Goodbye my love, don't be sad alone
There are flowers that bloom brightly in this world

I believe that you'll be waiting for me, even from far away
Thinking that I will come to get you
Wherever you and I tomorrow are
Cold times will probably pass

Rather than staying around in fear
Of the end that will come someday
Would I be happier dreaming about
Us embracing each other?

Just like how fluttering flower petals greet
I'm smiling in loneliness
Goodbye my love, even though you're sad and alone
I can never reach you

Goodbye my love, just like how I embrace you
You are blooming brightly in my heart
Goodbye my love, don't be sad alone
There is a flower that shines brightest in this world

Goodbye, now forever
I don't wanna say goodbye

Goodbye, goodbye
Goodbye
