Poison apple
Spellbound, you wanna take a bite
Hand outstretched
In danger, sinking deeper
Just a little more
That's all it takes
Meessing you up, I throw it all away

Gift you once as a bait,
Then I take everything
Make you addicted,
You can't tell pain from love
That's what we've become
It's all for you

On that vague border between good and bad
(Ooo ooh you played the fool for me)
My judgment in the final moment

Ooooooh
You got me G-U-I-L-T-Y
Trick and take everything from you
Again, just playing a game all for fun
Hundreds of lies
Ooh yeah

G-U-I-L-T-Y
My words taking you for a spin
Who's gonna punish me?
Uh uh Loving you's a crime
When you've caught on
I'm already all gone
I can walk like this, talk like this, play like this

Uh uh uh uh

Go on and deny your heart,
Ok for tonight
You want me even in this moment
Tell me the truth now
Give up, you're trapped inside me

On that vague border between good and bad
(Forgive me ooh
You played the fool for me)
My judgment in the final moment

Ooooooh
You got me G-U-I-L-T-Y
Trick and take everything from you
Again, just playing a game all for fun
Hundreds of lies
Ooh yeah

I want you to lose yourself
That's what'll make our love easy
Just doing things my own way
The bigger the pain, the sweeter it remains
Every time every time every time

Ooooooh
You got me G-U-I-L-T-Y
Trick and take everything from you
Again, just playing a game all for fun
Hundreds of lies
