Your faraway shadow
Still lingers around me
Covered by that image, I still miss you
I can't escape

Your name echos in the air
The reason for not hearing anything else
If you regret it after all this time
Come back to me

Love, you left me without a word
You left me baby
Love, you trapped me in sadness
Trapped me, baby
Our ending is so far away now
The last line is empty
Until I can find you, this ending won't happen
Love, I'm in the same place in the end

You wash over me again
I can't even fall asleep tonight
My days are only filled with darkness
It erodes like sinking in a deep swamp

My trust has completely broken to pieces
Only questions fill up your empty spot
Words that will end this cruel wandering
Please answer me

Love, you left me without a word
You left me baby
Love, you trapped me in sadness
Trapped me, baby
Our ending is so far away now
The last line is empty
Until I can find you, this ending won't happen
Love, I'm in the same place in the end

I can't take a single step
No matter how much I try, I'm in the same place
I shout until I run out of breath
But there's no answer
I want to erase you from my heart
You, who cruelly left me
But when tomorrow comes, as if yesterday was erased
I'll miss you again

Love, you woke me from my dreams
Woke me, baby
Love, you completely left me
Left me, baby
Our ending is so far away now
The last line is empty
Until I can find you, this ending won't happen
Love, I'm in the same place in the end
