Hey, my thick eye lid crease  
Born with an eye smile and laid back nature  
Hey, my high bridged nose  
My natural smile makes you go, oh my god

Every day every day every day every night  
The excessive worries and rumors that surround me  
Every day every day again, every night  
But I'm fresh, I've escaped the rat race yes tonight

Cause I do it I do it for you  
I won't pretend to be innocent like a puppet  
Everyone talks so easily

I may always seem pretty, I may always seem good  
I may seem nice, I may seem soft, but that's all a part  
Of your imagination that's over my head (pretty boy)  
They say pretty boys are always like this  
They say pretty boys just follow along the flow of things  
I'm above the imaginations in your head (pretty boy)  
Pretty boy pretty boy pretty boy

Hey you, tough guy  
Relax your hardened shoulders  
Hey feel the way I move

I'm like a speeding train, you'll be surprised  
Look at that poor girl, I hope you notice  
She says "you're a guy so..." like a habit  
Why is being sensitive the opposite of being a man?

Cause I do it I do it for you  
I won't pretend to be innocent like a puppet  
Everyone talks so easily

I may always seem pretty, I may always seem good  
I may seem nice, I may seem soft, but that's all a part

What kind of man do you want?  
You want a manly man on the outside? think about it  
What kind of man do you want?  
Even with the same words, I'll give you trust

Baby, I'm not some greenhouse plant  
That everyone easily talks about  
Baby, rather than the tough guys who are all talk

I'll give you a different kind of trust
