I was born to be a soldier

The path I try to go back is a maze

The wind that caresses my cheek goes up

I open my arms, it doesn't matter

I need an angel's hand

Cause a devil kissed me kissed me

Why'd you never miss me miss me

Yeah the devil kissed me kissed me

Kissed me

If I can wash away my sins

I will get on my knees right now

Even if you choke me

Even if you destroy my body

I swear to the sky, I raise my hand

I just wanna be a soldier

I just wanna be a soldier

I want to let you go inside of me

I'm trying to clear you from my mind

I still haven't been able to fix our misunderstanding

I need your forgiveness

Yeah I know you miss me miss me
Baby give you kiss me kiss me
Yeah I know you miss me miss me
Miss me

If I can wash away my sins
I will get on my knees right now
Even if you choke me
Even if you destroy my body
I swear to the sky I raise my hand
I just wanna be a soldier
I just wanna be a soldier

There are painful memories in my heart
I will never forget, in my loneliness
The last image of you was so beautiful

I wanna be a soldier

I want to be together with you until the end
I kiss your lips
Until I stop breathing
Until the the sun rises above the world
I wanted to protect you by my side
I was born to be a soldier
