Guys who cry over girls are the most pathetic
When you break up and can't get over it, no no

That was something I used to say all the time every day
I agree so much with it I could cry

Time solves everything someday
Even if you don't say anything I know it all
Baby I know I know

You said don't run away so
Girl I face it with my all
If I knew it would end like this
Why would I be such a fool, I...

Just until today like this baby
I'll drink without saying anything all day
Until today baby just until today
Like this just listening to sad songs all day
Sitting very still like I'm out of my mind
Just until today baby until today
Until today girl

Until today baby

It's the first time I'm like this because of a woman
I hate myself so much for being like this
I used to say all the time that
There are a lot of women in the world

Time solves everything someday
I know it all but pathetically I'm
Again like a fool

You said don't run away so
Girl I face it my all
If I knew it would end like this
Why would I be such a fool, I...

Just until today like this baby
I'll drink without saying anything all day
Until today baby just until today
Like this just listening to sad songs all day
Sitting very still like I'm out of my mind
Just until today baby until today
Until today girl

How could I do what I did to you
When you did all
You can do to me by my side
If I knew it would end like this

Just until today like this baby
I'll drink without saying anything all day
Until today baby just until today
Like this just listening to sad songs all day
Sitting very still like I'm out of my mind
Just until today baby until today
Until today girl
