Oh baby I know you're just joking around
But the way you talk hurts me you're a pretty but a provoking devil
You push and pull me and push me
I'm so easy to you
(Doo wop doo wop)
Please admit it, you were always
(Doo wop doo wop) like that

One day, you pretended it was a coincidence
As you appeared before me and sprinkled
Your crazy magic sugar into my eyes (crazy magic sugar)
I grew blind and I only knew you
Out of this whole world
Oh but you had different thoughts

If it's gonna be like this let me go let me go
I'm gonna pass
But I don't have the courage
I've already grown tame to your ways
I know
I'm your toy (woo woo)
Your favorite (woo woo)
Let me go
That you'll play me forever

That's the way you want it
That you'll play me forever
That's the way you like it

You gotta show me your heart, your truth
I've never seen it once
My master, my cruel lover
As if you know my heart but don't
You only have on a vague face
(Doo wop doo wop)
Please admit it, you were always
(Doo wop doo wop) like that

Every night, you appear
In my dreams and sprinkled
Your crazy magic sugar into my eyes (crazy magic sugar)
I grew blind and I only knew you
Out of this whole world
Oh but you had different thoughts

If it's gonna be like this let me go let me go
I'm gonna pass
But I don't have the courage
I've already grown tame to your ways
I know
I'm your toy (woo woo)
Your favorite (woo woo)
Let me go
That you'll play me forever

It's the way you want it want it want it
Baby baby come and get it get it get it
It's the way you like it like it like it
Come on baby stop this now, I'm gonna pass

I'm trying to escape, I'm trying to leave you
I want to end
This unhappy and foolish love
No matter how much I try to be determined
It's not as easy as it seems
I still like you

If it's gonna be like this let me go let me go
I'm gonna pass
But I don't have the courage
I've already grown tame to your ways
I know
I'm your toy (woo woo)
Your favorite (woo woo)
Let me go
That you'll play me forever

That's the way you want it

That you'll play me forever
(I'm your toy)
That's the way you like it
That you'll play me forever
