Look, I'm still smiling, without you
Yeah without you

Look at me, I didn't stop not once, for a moment
Even for a moment

You might not want to believe it, seeing me is probably the last thing you want
You're the one who's regretful, not me at all

You're in the same spot, same spot after leaving me
I've already gone far, so far yeah

I just wanna keep on dancin', baby
So I can erase you
Don't stop me now

So I forget everything about you
And start anew

I feel amazin'
I feel amazin'
I feel amazin'
I feel amazin'

I feel amazin', amazin', amazin', amazin', amazin'
I feel amazin', amazin', amazin', amazin', amazin'
I feel amazin', amazin', amazin', amazin', amazin'
I feel amazin', amazin', amazin', amazin', amazin'

Goodbye, a man like me didn't exist to you in the first place
Like how now we are strangers
Because of your pride, I was never enough for you
I won't have any regrets

I just wanna keep on dancin', baby
So I can erase you
Don't stop me now

So I forget everything about you
And start anew

I feel amazin'
I feel amazin'
I feel amazin'
I feel amazin'

Nothing can bring me down
And you can't take me down
There is nothing that can bring me down anymore
Nothing can bring me down
And you can't take me down
I am freer than I have ever been

I feel amazin'
I feel amazin'
I feel amazin'

I feel amazin'
