The sounds of the cheers  
Ring loudly across the sky  
Get up and shout  
For victory

You and I, hand in hand  
If we march forward in strength  
We can overcome any kind of hardship

Fly high  
Burn hot  
More dazzling than the sun

Shine a light  
On the world  
So our dreams can come true

Everyone together, let's get louder  
Let's all become one  
Let's get louder  
To the whole world, Sing  
Oh oh oh oh  
Oh oh oh oh  
So they can hear us

Sweat beads that sparkle  
More than the stars in the night sky  
I'm gonna run till the end  
For that day

Fly high  
Burn hot  
More dazzling than the sun

Shine a light

On the world  
So our dreams can come true

Everyone together, let's get louder  
Let's all become one  
Let's get louder  
To the whole world, Sing  
Oh oh oh oh  
Oh oh oh oh  
So they can hear us

To the music  
Let's all dance together

Let's clap our hands together  
Let the music take us higher

To the music  
Let's all dance together

Let's sing this song together  
So everyone can hear

Everyone together, let's get louder  
Let's all become one  
Let's get louder  
To the whole world  
Let's get louder  
Let's all become one  
Sing it, sing it louder  
Sing it to the world  
Oh oh oh oh  
Sing it to the world  
Oh oh oh oh  
Everybody sing  
Oh oh oh oh  
Get louder  
So they can hear us
