00 00 00 000 0 000 000 in my heart
0 000 000 00
0 000 00 00 one, two, three, 000 00 00 000
Now, oh baby, 00 00 0

00 00 00 000 0 000 000 in my heart
0 000 000 00
0 000 00 00 one, two, three, 000 00 00 000
Now, oh baby, 00 00 0

OO OO OOO OO her figure so tight
Such a beautiful view like them Vegas lights
Shawty, when it comes to you, you know I never think twice
And your body is my wonderland, I can play all night

So just move, move, baby don't stop it I cock it and unload it call me Mr. Big Rocket You so precious face shining like crystals I'm so vicious like Sid with my sex pistols

Sometimes she moves fast, sometimes she moves slow And I could never get enough, you got me fiending for more Niagra falls, baby girl, I got you wetter than Trust me on this one, you'll never find a better man

Aye, oh my sexy lady is on the floor
I like them girls and how I move it back, you know?
And this ma man Kush Track
Taeyang, two thousand and ten
YG baby, they know what it is by now
But don't get this twisted

This for a ladies Let's get 'em

I hope time stops
Tell me your sincerity
I want you really badly
Nothing can stop me
When I put my hand on your hips
I can't hear the surrounding sounds
Or anything at all, I can only see you

You don't like being slow either
Let's move more faster
In my heart, tell me you want to feel me
Match this music together, 1, 2, 3
Let's dance together under the magnificent lighting
Now, oh baby, we become one

Baby, don't stop
This time for the two of us we've waited for
We'll keeping going 1 step and 2 step and
Hold my hand tightly and move more

Move, move
Baby, don't stop it
Move, move
Baby, don't stop it

We don't have time, come closer Hug me

I talk to you, we become hotter Truthfully, it's hard for me to resist your sweating image

When I hold you in my arms
When I place my lips on your forehead
Look at the foolish me who is reflected in your eyes

You don't like being slow either
Let's move more faster
In my heart, tell me you want to feel me
Match this music together, 1, 2, 3
Let's dance together under the magnificent lighting
Now, oh baby, we become one

Baby, don't stop
This time for the two of us we've waited for
We'll keeping going 1 step and 2 step and
Hold my hand tightly and move more

Move, move
Baby, don't stop it
Move, move
Baby, don't stop it

We don't have time, come closer Hug me tonight

The reason why I can't take my hands off her is her figure's so tight Such a beatiful view like them Vegas lights
Shawty, when it comes to you, you know I never think twice
And your body is ma wonderland, I could play all night

So just move, move, baby, don't stop it I cock it and load it, call me Mr. Big Rocket You so precious, face shinin' like crystals I'm so vicious like saving my sex pistols

Sometimes you move fast, sometimes you move slow I could never get it if you got me feel it for more Niagra falls, baby girl, I got you wetter than Trust me on this one, you'll never find a better man

Baby, don't stop
This time for the two of us we've waited for
We'll keeping going 1 step and 2 step and
Hold my hand tightly and move more

Move, move
Baby, don't stop it
Move, move
Baby, don't stop it

We don't have time, come closer Hug me tonight
