In my dream last night
I was soaked in your inerasable scent
Stay with me until the end of time
I am seeing you
And I'm still missing you

I know so well that I can't be filled
But what more did I need to achieve
Like sandcastles breaking and falling
People always seem to change
I will never forget your prayers for me

My darling, be the flower in my heart
And a path that guides my wavering life
Be the twilight in my somber night
My darling, shine upon my heart

I know so well that I cannot reach
But why did I try so hard to grasp
Like sandcastles breaking and falling
People always seem to change
I will never forget your prayers for me

My darling, be the flower in my heart
And a path that guides my wavering life
Be the twilight in my somber night
My darling, here in my heart
My darling, here in my heart

The movie-like traces of my life
Could never be retrieved
You are the flower that bloomed amidst the dark that swallowed me
Fill my heart with all of you

My darling, be the flower in my heart
And a path that guides my wavering life
Be the twilight in my somber night

My darling, here in my heart
My darling, here in my heart
My darling, here in my heart
Let it shine
