Cause I can't control myself

Ah ah ah ah ah ah

Ah ah ah ah ah ah

Like a grown-up

Who grew tall but is still a child

Your insincere words

Made me choose feelings

That I can't handle

Right, it's Too late

To reverse the scar

It's too late

You call me crazy, so what

Ah ah ah ah

Cause I can't control myself

Ah ah ah ah

In front of you

Everything becomes out of control

It feels like everything is going to explode

Cause I can't control myself

Bad days are being repeated

I feel miserable, feelings are running out

It just keeps spinning like a loose ring

It doesn't matter, I suppose this is how love is

You call me crazy, so what

Ah ah ah ah

Cause I can't control myself

Ah ah ah ah

In front of you

Everything becomes out of control

It feels like everything is going to explode

Cause I can't control myself

Ah ha ha ha

Feels like heaven feels like hell

Ah ha ha ha

Even that, I don't care

Ah I will again

Go back to you

You call me crazy, so what

Ah ah ah ah

Cause I can't control myself

Ah ah ah ah

In front of you

Everything becomes out of control

It feels like everything is going to explode

Cause I can't control myself

Ah ah ah ah

Ah ah ah ah

In front of you  
Everything becomes out of control  
It feels like everything is going to explode  
Cause I can't control myself
