Is it a dream knocking on by the spreading season?
You're sweet in my ears
Tell me baby baby
I've waited for tonight Every time I picture you
I make a smile without anyone knowing
Thinking about you lately

We've waited for tonight for so long
I feel like it's a miracle that it came all the way to me after a year

Tonight I'm Happy A cozy dream
The frozen season melts with our warmth
A wonderful night I dream in your arms
Let's whisper our wishes for a long time
We're together I'm Happy
This dream will last forever

Endless stories, the moments I want to stop
With every breath I might miss
Kiss me baby baby
Hold me tight with your temperature
Until the thrill that filling up the night falls asleep Oh I'm crazy

The dazzling excitement you whispered all night long
I think it's an unforgettable gift more than any other scenes

Tonight I'm Happy A cozy dream
The frozen season melts with our warmth
A wonderful night I dream in your arms
Let's whisper our wishes for a long time
We're together I'm Happy
This dream will last forever

Even if everything flows away after the season
This moment won't change Promise you
Just like this today's happy memory won't melt away

When I see you I'm Happy
A dream I don't want to wake up from
This warm love is piling up at the corner of memory
The deep night I'll fall asleep in your arms
Let's whisper our wishes for a long time
We're together I'm Happy
This dream will last forever
