Sky that pours light  
(I) stand under it  
Fly as if I'm dreaming  
My life is a beauty

A story I've heard often somewhere  
Ugly duckling and swan, a butterfly before it flies  
People don't know, they don't see your wings  
A new world you've met could be cruel

But strong girl, you know you were born to fly  
Tears you've cried  
All of the pain you've felt  
For the day you'll fly even higher  
It's to prepare you. butterfly  
Everybody's gonna see it soon

Sky that pours light  
(I) stand under it  
Fly as if I'm dreaming  
My life is a beauty

Forgotten dream, I draw it again in my heart  
Collect all of the times I withdrew and swallow it  
Small memories wake me up one by one  
It opens me up, as if it'll fill the whole world

Past the long, long night  
Want to embark on the road for a trip again  
Why not? in this world  
One word that awakens my heart

Yesterday, I was alone  
Countless gazes  
Falling tears  
I withstood another day again

Yesterday, that was a close call  
All of the words that poured out  
It embraced me, who was shaking, again

Sky that pours light  
(I) stand under it  
Fly as if I'm dreaming  
My life is a beauty

My life is a beauty

Flower petals wilt  
I had difficult times, but followed a small light  
Distant day, let it go far, faraway  
I fly splendidly

Sky that pours light  
Renewed eyes (renewed eyes)  
Fly far away (fly high, fly high)  
Beauty that belongs only to me

Moment I close my eyes, time stops
