With weak emotions
Don't try to shine on me
You cry like a child
It's me who can't understand

Boring and uninteresting pattern
Far from affection, it's only sympathy
The only thing I did wrong was
That I held you in my wide arms
It seems like I have a lot to say

You speak with eyes full of hurt
My position looking down is here
Let's go and find only good memories

You don't know, but
Love is just a dream of being hurt

Don't make the illusion that it feels good
You are just that
Like the scales are already too biased
It can't be the same

Why do you blame me so much every time?
It's just the same excuses as before
There's only one thing you need to know
You are the one who left nothing behind
It seems like I have a lot to say

You speak with eyes full of hurt
My position looking down is here
Let's go and find only good memories
You don't know, but
Love is just a dream of being hurt

Ooh-ooh, ooh-ooh, ooh
Ooh-ooh, ooh-ooh
Ooh-ooh, ooh-ooh, ooh
Ooh-ooh, ooh-ooh
Mm (Ooh-ooh, ooh-ooh, ooh, oh-ooh, ooh-ooh)
Ooh-ooh, ooh-ooh, ooh
Ooh-ooh, ooh-ooh
I don't seem to have anything to say

Like the air that moves busily between silences
I can't contain my two blank eyes
You in the hope of tomorrow
Erase me who locked me up
Love is just a dream of being hurt

Like that
Even if it hurts
Love is just a dream of being hurt
