I'm gonna set myself on fire

Set myself on fire
I'm gonna set myself on fire
I'm gonna set myself on fire
I'm gonna set myself on fire
Set myself on fire

Set myself on fire
Set myself on fire
Set myself on fire
Set myself on fire

I don't mind being alone
You're also not like that
While feeling so lonely
Don't do the lie
You have a lot of work these days
I need some time (Need, need)
I understood all that
I know you very well

Are you trying to run away?
Can't you even see me?
Was I that bad?

I don't want to hear

Even if I smile brighter, I'm sad
Even if I'm next to you, It's far away
How can I catch you?
Should I set myself on fire

So we don't get farther apart
We have to hold each other tight
I'll warm up your cold heart
I'm gonna set myself on fire

You still can't sleep (Ooh)
Probably I'm the reason
It wasn't heavy at all
I liked those days

You know what I want
You're not that kind of person
Please don't make me cry
Don't say more, stop

Even if I smile brighter, I'm sad
Even if I'm next to you, It's far away
How can I catch you?
Should I set myself on fire
So we don't get farther apart
We have to hold each other tight
I'll warm up your cold heart
I'm gonna set myself on fire

Set myself on fire
I'm gonna set myself on fire
I'm gonna set myself on fire
I'm gonna set myself on fire
Set myself on fire

Set myself on fire
Set myself on fire
Set myself on fire
Set myself on fire
