From the moment I stopped believing in "Santa"
Did time go by so fast?
My old friends who I completely forgotten
T feels smaller from what I remember

It's the same day as yesterday
I'm slowly getting tired of it, there's no excitement
Just talking to a broken doll
There is no answer as if you forgot me

Like the queen of fairy tales
I'm an adult and that's all
Like all fairy tales
I believed that there were only happy endings
Still dreaming like a child
Still dreaming like a child

Curiosity fades away quickly
There are overflowing things I don't want to know
Everyone wants to be "Peter Pan"
It used to be like that, sounds boring again

To be honest, It's difficult
To hide everything, making it natural
I think I'm such a fool to get hurt
It becomes my own secret

Like the queen of fairy tales
I'm an adult and that's all
Like all fairy tales
I believed that there were only happy endings
Still dreaming like a child

As time has passed
The nightmare comes again today
I turn around and stand there
It's really me

Like the queen of fairy tales I knew
I'm an adult and that's all
Like all fairy tales
I believed that there were only happy endings
Even if I dream, It's still the same

The little girl remains
Like all fairy tales
I believed that there were only happy endings
