Up and down (Five senses make me dizzy)
You and me (Approach sweetly)
What you want? Push and pull me
I'll bring you back in
Up and down (Keeps confusing me)
You and me (As if it'll touch but it doesn't touch)
What you want? Circles me
vaguely, you and me

You and I have become adults, we've started a game
I don't know if we'll wander, very exciting magic
It's a dizzying game that you can't know the end of
Oh, oh, oh, oh
Oh, oh, oh, oh

Faster than two eyes, what is this I'm holding?
Come one step closer and guess what it is
From one to ten, all day
Oh, oh, oh, oh
Oh, oh, oh, oh

Love is that ambiguous,
no, no, no, no, no
But I've fallen in before I knew it,
oh my God, I don't hate you

Huh, my heart burns every day
Ah, why do I like you
Ah, ah, I can't get out of it
I'll bring you back in

Up and down (Five senses make me dizzy)
You and me (Approach sweetly)
What you want? Push and pull me
I'll bring you back in
Up and down (Keeps confusing me)
You and me (As if it'll touch but it doesn't touch)
What you want? Circles me
vaguely, you and me

Ooh ring, ring, ring, ring, sometimes softly
Ooh ring, ring, ring, ring, sometimes chicly

Your playful repertoire,
no, no, no, no, no
I keep falling in deeper,
oh my God, I must be crazy

Huh, my heart burns every day
Ah, why do I like you
Ah, ah, I can't get out of it
I'll bring you back in

Up and down (Five senses make me dizzy)
You and me (Approach sweetly)
What you want? Push and pull me
I'll bring you back in
Up and down (Keeps confusing me)
You and me (As if it'll touch but it doesn't touch)
What you want? Circles me
vaguely, you and me

Tell me now if you
really love me, oh
A little bit honestly, come a bit more, a bit closer
Bring you back in

Huh, what are your true feelings
Ah, I'm curious about your heart
Ah, ah, contain in your lips (Ooh)
truth and lie

(Oh) Up and down (Five senses make me dizzy)
You and me (Approach sweetly)
(You and me, you and me)
What you want? Push and pull me
I'll bring you back in
Up and down (Keeps confusing me)

(Up and down, up and down baby
Up and down, up and down baby)
You and me (As if it'll touch but it doesn't touch)
What you want? Circles me
vaguely, you and me
