Oh yeah yeah
Oh sometimes my two feet, oh as they touch
As the gaze that carries me away is stolen
I long for unfamiliar places that I’ll walk to lightly
I end up stopping again with an empty and long sigh
Why, why, turn around again
Why, why, full of dreams

If I leave now, good, good, good, yeah
Everything I'll meet, great, great, yeah
My lightened heart, work, work, baby
Already, already in front of my eyes
It glimmers, glimmers but I hesitate, why

The needle that would turn on a compass
Blooming abundantly at the place where it stops,
nameless flower petals
Pulled in for you, in the landscape filled with light
Hurry and jump in more freely than me

Why, why, why, the day I delayed for no reason
Lots of worries have all disappeared,
tonight yeah

If the wind blows, good, good, good, yeah
Everything that unfolds, great, great, yeah
My changing heart, work, work, baby
Already, already in front of my eyes
It glimmers, glimmers

If I leave now, good, good, good, yeah
Everything I'll meet, great, great, yeah
My lightened heart, work, work, baby
Already, already in front of my eyes
It glimmers, glimmers but I hesitate, why

The world isn't all about
trying to catch up
Even if I walk all day the same
landscape will never been seen
I wrote on white paper, why,
my heart smears like ink
I'm falling, I'm falling, I'm falling to you

If the wind blows, good, good, good, yeah
Everything that unfolds, great, great, yeah
My changing heart, work, work, baby
Already, already in front of my eyes
It glimmers, glimmers

If I leave now, good, good, good, yeah
Everything I'll meet, great, great, yeah
My lightened heart, work, work, baby
Already, already in front of my eyes
It glimmers, glimmers but I hesitate, why
