Oh, my God
Time killing, where is my time?
Two for me, one for you, this is me (This is me)
Everything will be mine (Mine)
Stir my lemonade, lemonade, yeah
I am an ape wearing BAPE, eight bars, game set
I could feel this hit, yeah, gonna be the rain
Even the clothes that I just put on
They're asking which brand it is
Even if I don't dress up
Makes them tremble, boy

Uh-uh-uh-uh, why are you laughing?
Hurry up and use your mouth
I feel sick, your makeup (Woah)
Uh-uh-uh-uh, keep being pretentious

I don't agree with you
I'm not going to do it like you
My pony lonely in the parking lot, yeah
I don't have time to play
To your brother, I know
To a friend I know, a sister I know
Even people I know I don't care

I'm insecure, amazing
Ten years changed me so much
I sifted out what needed to be sifted
I only see what I want to see

Boy, boy
I can see you, I can see you
Not even to others
I am not stupid
My instincts don't go astray
I don't corrupt
It's the same
Must be someone else's fault
You keep going down
Uh, my head is turning slippery
Uh, it's called multiple personality
Uh, it's not bad, it's just that
Go, just don't step on me

Oh, my God
Time killing, where is my time?
Two for me, one for you, this is me (This is me)
Everything will be mine (Mine)
Stir my lemonade, lemonade, yeah
My pony lonely in the parking lot, yeah
I don't have time to play
To your brother, I know
To a friend I know, a sister I know
Even people I know I don't care

Dance
I don't care what you want, what you want
The vibe is focused on me
I'm done with this, yeah
Everything will be mine
Stir my lemonade
Stir my lemonade

Oh, my God
Time killing, where is my time?
Two for me, one for you, this is me (This is me)
Everything will be mine (Mine)
Stir my lemonade, lemonade, yeah
I don't follow the paper
Chasing dreams all night
It's different from you
I'm not a celebrity or a businessman
I don't sell my soul
Even if it's getting boring
I can't give up

I'm an ape, I'm an ape, I'm an ape, yeah
I don't think about anything, yeah
Sometimes, sometimes like this
Until I feel comfortable

I even space out, yeah
This speed is too complicated
I'm old enough to make decisions
Too much, the words of people with a lot of money
Temptations that seem to be mixed with sweetness
When you embrace me
I'm an ape, I'm an ape, I'm an ape, yeah
I don't think about anything, yeah
Sometimes, sometimes like this
Until I feel comfortable
I even space out, yeah
There are many things I want to do
This wasn't my dream
So, empty my stomach again
I'm going my way again
