Yeah, I'll be fine

I feel like I'm broken
I livin' in an empty
Because it has disappeared
My confidence itself
How can I live without you?
How can I breathe without you?
The world without you is like a vast blue
I'm sinking, and I'm suffocating
I can't be strong like you
I'm already losing my way
Even if I try to act cool [-]
I dream of those cozy arms
I didn't even tell you
But I liked leaning on you
I know it was good, but now it's good bye

Will be fine
We are gonna be fine
Will be fine, fine

Even if we can't see each other anymore, it's fine, yeah
Even if the world turns upside down, it's fine, yeah
Everything comes back to its place, it's fine, yeah
You will be fine
And it's gonna be fine-ine-ine, yeah

Be fine, be fine, be fine, yeah
Be fine, you will be fine, you will be fine
You will be fine

A feeling of burning heartache
I'm already crying
I guess I'm a monster
I can't control my mind
Now, I wanna cry, I wanna find
I wanna, who am I?
I didn't want to say anything that would leave me with regret
It's foolish, but I can't help it
The rest of my lingering feelings are pushing me away
Your tear marks tell me
It'll be fine
We're gonna be fine
Your tear marks tell me
We are gonna get through this
We're gonna make it

We'll be fine
We are gonna be fine
We'll be fine, fine

Even if we can't see each other anymore, it's fine, yeah
Even if the world is upside down, it's fine, yeah
Everything comes back to its place, it's fine, yeah
You will be fine
And it's gonna be fine-ine-ine, yeah

Be fine, be fine, be fine, yeah
Be fine, you will be fine
You will be fine, you will be fine
