I think

I think I'm fallin' in you

Deeply and slowly  
Don't know what I'm doing  
I have no clue  
I wanna be your Alexandros  
I need a love dictionary  
I need a love theory  
I need you, I need you

Can you please not talk to me? (Mm-mm)  
'Cause when you do, I go blank (Uh-uh)  
Mind shuts down, can't do a thing  
Paying lip service, what can't be said?  
Sure I believe you did all that preparing  
Gotta admit, something's wrong in my head  
Yo, what y'all doing?  
Can't you see this is our last chance?  
She's leaving, and we gotta make her stay, uhm

She's far away from me  
I don't know what I'm doing  
Look at the theory book again  
You turn around and look at me  
Here we go again

I think I'm fallin' in you  
Deeply and slowly  
Don't know what I'm doing  
I have no clue  
You are my lovely fairy  
I need a love dictionary  
I need a love theory  
I need you (Yeah, yeah), I need you

I've loved and lost, at the very least  
A hundred times more than you, I'll learn it (Learn it, okay)  
Can't compare with anything  
Gotta pay me something for a consulting (Let's go)  
What's the problem? Well this song and this hook  
It's too late to look chic  
Just go as it is, keep being nerdy  
So you're a rich dude  
Speak some English, too  
And you 'bout my height, fam  
What you lack, son, is Ja-Shin-Gam  
In English, "Confidence"  
Taetong, you know? (I know!)  
Waiting is torture? Yeah, I've been there  
But calling her now, not a good idea  
Remember what I'm sayin'  
You'll do it anyway though

I think I'm fallin' in you  
Deeply and slowly  
Don't know what I'm doing  
I have no clue  
You are my lovely fairy  
I need a love dictionary  
I need a love theory  
I need you (I need you)

Love is such an inscrutable thing  
Even more than the theory of Relativity  
For me, love is way more complicated than that

Got some answers for me, Wonstein? (Wonstein!)  
Lyrics that sing love's simplicity  
Ain't my words  
Love spins you around, up is down  
Oh, how well I know  
(But you got me feeling like)  
Oh, my baby, baby, baby  
You are my, you are my only girl  
You are the only one I see

I think I'm fallin' in you  
Deeply and slowly  
Don't know what I'm doing  
I have no clue  
You are my lovely fairy  
I need a love dictionary  
I need a love theory  
I need you, I need you

I need you, baby  
I need you, baby  
I need you, baby, oh  
Baby
