I'm in a rush, rush, rush
Towards my goal boom, boom, boom (Run)
I am classy and sassy
Chin up high, held so high
Breathing fast
Raising our reputation
Lit, lit, lit, lit, lit
Lit like an eagle in the sky

This is KWANGYA-YA-YA
We so wild, wild, wild, wild
This is KWANGYA-YA-YA
We so wild, wild, wild, wild

Can you hear me roaring?
I bare my teeth at you
Instead of becoming your prey
Don't you know that I'm a savage?

Take a step back, move, it's dangerous
Feel it under the skin, tension
I might cross the line, true
This is awesome, wild

Just like a zoo
Dance of instinct
Partying, feeling young
You know what to do, do, do
Just like a zoo
Dance of instinct
Partying, feeling young
You know what to do, do, do

Open up your mind and be free, you can, ah
The vibe you were feeling just now focus on
Look around, right now feels right
Knock on your hidden real mind
Shake it up, it may be dangerous
But if you still want it
Tryna make it a crown
Take a step, no hesitation?
You so wildin'
Just go for it, fearless

This is KWANGYA-YA-YA
We so wild, wild, wild, wild
This is KWANGYA-YA-YA
We so wild, wild, wild, wild

No hesitate, yeah, yeah
Yeah, I'm in the FLAT
Over here, didn't know
It's so wild, wild, wild
Even if you block my way, I'm not afraid (Nah)
Following my instinct, I bet everything, doing it all

Outta control
I don't care about anything at all (Yeah)
All the dreams beyond the senses
Who? We!

Just like a zoo
Dance of instinct
Partying, feeling young
You know what to do, do, do

An eager surge of adrenaline
I can't stop until I reach the end
Let loose in the mood, show them how we do
Get wild, go loud like an animal

Just like a zoo
Dance of instinct
Partying, feeling young
You know what to do, do, do (Just like a zoo)
