Tai Verdes

Oh, baby, it's electrical ('cal, 'cal, 'cal)
Take some time to notice, you're playin' with a heart of gold (
Gold, gold, gold)
Fix your eyes and focus on me like we don't need no gold (Gold,

Drifting 'round the corner like they did it in Tokyo ('yo, 'yo)
You got me, you got me

I've just decided, it's suicide
[?] up all my daily schedule
What the fuck you take me for?
A regular? Over it, the no, no
I could never be a local, out here with the bro, bros
Cameras stay on [?], I pose for the photos
I get all my clothes from the [?] down in Melrose
She told me she tryin' but she won't keep her legs froze
So I want to strip, uh, I love it when you expose

Oh, baby, it's electrical (Uh-huh, yeah)
Take some time to notice, you're playin' with a heart of gold (

Fix your eyes and focus on me like we don't need no gold (Uh-
huh, yeah)
Drifting 'round the corner like they did it in Tokyo (Uh-huh)
You got me, you got me

Baby, you and I

To cruise, baby, baby, cruise, baby, baby, cruise (Cruise)

And turn me up (Yeah)

Oh, baby, it's electrical (Electrical)
Take some time to notice, you're playin' with a heart of gold (
Stop playin' with me, stop playin' with me)
Fix your eyes and focus on me like we don't need no gold (No we
