

# Lost Myself

Tai Verdes

I lost myself  
Searchin' for what I needed more  
And I know that helps  
'Cause I can make rain turn into sunshine  
Regardless, can't get started if you lost yourself  
Hold on, hold on, hold on (Yeah)  
Hold on, hold on, hold on (Yeah)

They say truth is so ugly  
No, they can't touch me, if they don't love me, why?  
Hard for me to trust somebody that can't look at me in my own two eyes  
And if I slip into the rabbit hole then let me go  
Don't let me roll with the punches  
Been a winner, had to be in a catapult  
And did the most, put on a show, keep it a hundred

My dreams get colder every night (Every night, every night, yeah, yeah)  
My heart's the only thing alive (It's the only thing beating, uh, uh)  
I used to go fuckin' insane (I was livin' in a nightmare)  
Back of my mind was never safe (Now I don't care, yeah)

I lost myself  
Searchin' for what I needed more  
And I know that helps (I know that helps)  
'Cause I can make rain turn into sunshine (Sunshine)  
Regardless, can't get started if you lost yourself  
Hold on, hold on, hold on  
Hold on, hold on, hold on

Don't you feel the heat? That's too hard for me  
Hard enough to breathe in real life  
Been through hell and back  
No, I can't relax, seen all I need to see in one night  
Sometimes I need to let it fly and let it spiral  
Chase a high, burn it slow and let it go (Burn it slow, yeah, yeah, burn it  
slow, yeah, yeah, burn it slow, yeah, yeah, yeah)

My dreams get colder every night (Every night, every night, yeah, yeah)  
My heart's the only thing alive (It's the only thing beating, uh, uh)  
I used to go fuckin' insane (I was livin' in a nightmare)  
Back of my mind was never safe (Now I don't care, yeah)  
I gotta it day to day (Gotta take it day to day, homie)  
'Cause nothin' ever stays the same (I'ma do it my way, homie)

I lost myself  
Searchin' for what I needed more  
And I know that helps (Oh, yeah)  
'Cause I can make rain turn into sunshine (Sunshine)  
Regardless, can't get started if you lost yourself (If you lost yourself)  
Hold on, hold on, hold on (If you lost yourself)  
Hold on, hold on, hold on

I lost it, I lost it, I lost it  
I lost it, I lost it, I lost it  
I lost it, I lost it, I lost it  
I lost it, I lost it, I lost it
