Tai Verdes

Summertime high  
High fences, yeah, we let the dogs outside  
Deep divin', get into the trouble I like  
Can't find me in the mornin', in the mornin'  
Guess it's 'til the cold I go (Go)  
Lost count of all the shitty joints I rolled (Rolled)  
Don't care for no one, shit, except my own  
Got my vision distorted, distorted

'Cause we got time to waste  
Waste it all away, tonight  
'Cause you've been on my mind  
I could spend my life  
Lost inside your eyes, tonight  
'Cause you've been on my mind

I've been thinkin' about it, about it  
You and me got somethin' nostalgic  
We could do nothin' for hours  
That's our superpower  
I've been thinkin' about it, thinkin' about it  
Is this ever gonna end? I doubt it (Mm)  
We could do nothin' for hours  
That's our superpower

Summertime high (High)  
Slow motion every time the clouds rolls by (By)  
Honey drip down in your big brown eyes  
Take my time in the mornin', in the mornin' (Uh)  
Gon' make me change my plans, fly around the world  
Don't matter where we land (Uh-huh)  
Are you fuckin' crazy? 'Cause you know I am about you  
And the way you move, goddamn, goddamn

We got time to waste (We got time to waste)  
Waste it all away, tonight  
'Cause you've been on my mind (You've been on my mind)  
I could spend my life (I could spend my life)  
Lost inside your eyes (Lost inside your eyes), tonight  
'Cause you've been on my mind

I've been thinkin' about it, about it  
You and me got somethin' nostalgic  
We could do nothin' for hours  
That's our superpower (Oh, oh)  
I've been thinkin' about it, been thinkin' about it (Yeah)  
Is this ever gonna end? I doubt it (Yeah)  
We could do nothin' for hours  
We can do nothin' for hours  
I've been thinkin' about it, about it  
You and me got somethin' nostalgic (Nostalgic)  
We could do nothin' for hours (For hours)  
That's our superpower (Superpower)  
I've been thinkin' about it, I've been thinkin' about it (About it)  
I've been thinkin' about it, I've been thinkin' about it  
Is this ever gonna end? I doubt it

(Oh, I've been thinkin' about it)  
(Oh, somethin' so nostalgic)  
(Oh, do nothin' for hours)  
Is this ever gonna end? I doubt it
