Taimour Baig

Hoooo O hooo  
Hooo hoo o hoo  
Hooo hoo o hoo  
Kese kahan or kiyon  
Khogaye ho tum  
Kal ankhoun kay samne thy  
Kiyon nazar se ho ab door  
Bechain ratoun ko jagun  
Din mai bhi na ho sukoon  
Har pal tujhi ko pukaron  
Kesa hai ye fitoor

Tujhe kia yaad jese tu ayat koi  
Tera zikar karoon jese tu ibadat koi  
Teri baat karna, tujhe yaad karna  
Mujhe maaf karna wo meri adat hoi  
Manzil manzil ha wo milegi zaroor  
Rasta saaf mera kia nahi guroor  
Ganay pheкта jaraha toote na suroor  
Wo bhi sunti thi mere ganay aur karti thi guroor  
Wo mujhe kare yaad, mai rehta tha masroof  
Wo mujhse poochti har baar kis pe hai uboor  
Kabhe kisi mushkil mai wo hoti mujhse aagay  
Poora jahan soye, hum dono jagay  
Or agay dekhe maine rastay  
Hum dono ek, kisi ke nahi wastay  
Ab teri yaad mai nashay mai bhete khastay  
Khastay khastay chare ye pahar  
Studio mai waqt dia nahi nikla bahar  
Tu hi lakri or tu hi uspe lagi aag  
Mai jese ek phool aur tu poori baag  
Mujhse naraaz, zamane se wo khafa rehti  
Najane kia soch ke hum dono se juda rehti  
Mai galt hon par mai likta galat nahi  
Ankhien ka dhonka ha wo andar se wo sarat nahi  
Mujhe samjhati thi wo kabhe peena charas nahi  
Chars se lagao mera, pharti thi barham mera  
Chotien bhi lagati thi or karti bhi thi marham mera  
Ab wo door hai us mai guroor hai  
Ab uski zindagi mai hota nahi ha asar mera  
Per door se bhi hum dono se saath hai  
Per door se bhe hum donbo pas thai  
Wo milegi tho poochonga mai usse mil kar  
Kia hum kabhi saath thai, dilo mai raaz thai  
Mai likhta hoon jo teray baray, tujhe hoti khabar nahi  
Mai likhta hoon jo baatien tere liye, wo tujhpe hoti asar nahi  
Isi zamane pe likhe afsane maine, tujhe dia waqt poora, naa kie bahane maine  
!

Sitaroon se karun  
Ba'atain ab teri  
Bichar tu kiyon gayi  
Sataye teri kami  
Ajao'o naa  
Me'ere pas  
Jee naiyo lagda  
Tere ee binadaa
