

REBORN

Taimour Baig

Sun meri baat boy, sun meri baat
Ilakay may band Nahi may ghoomta azaad
Milakay Tu mujhay Kabhi
Milakay dun teen wahi
Verse Mera track khaye Cole on them bars

Control Karun game jese K-town may KDOT
Talha Bola nazar taiz loday idhar fake bhut
Bake bhut, never on them joints
Tum roll Karo khoklay I'm counting my win points
Chuklete larka karega agar pinpoint
Rhymes barey blunt bachpan say been spoilt

Loosen that door hinge that's orange too drunk to dunk yet I'm still pouring

Pull up on your crib, leave you bloody like a crip
I'm blood for life laal-o-laal meri drip
Rap kum loday idhar baatein ziyadah chodte hai
Mujhay diss karke yeh apni kabar khodte hai
Dollar sign vibe sabko chaye Mera verse
Darte hai musje on your head like a curse
Kum mujhay beat mile baat Karun ziyadah
Halka rakhun aaj flow rhyme marun ziyadah

Haters mere L pay may Faris shafi vimto pay
Beat suno ek Baar verse ready minto may
God bless Karun beat left to right up and down
Ata Devil on a diss Flip that cross upside down

Phookun Teri ashes death may bhi you got smoked
Pop kari beer bottle Aya phele upar smoke
Sala mujhay Dete jese inki may sunta
Banake lele batti may Kisi ki nai sunta

Motherfucker

Mai hi ek band hon saray azaad hai
Mere dimaag mai 21 sawaal hai
Kaho mujhe 50 cent, sadabaad hai
KSI wo mainstream shaat hai
Bhot high tha mai bhot aye tere jese
Tere jese zyada kam aye thy mere jese
Lanjhon se door reh, kaaam baad phele paisay
Mehnat se aya mai times dekhe aisay waisay
Maine socha I don't need people
One day I will become the need of people
Log sochte nahi bolte hain
Ab ma azaad hoon I fly as a eagle
New to new to old jese floppy
Don't chat about young stunners
They set trends that you copy
I say shutup like I'm stormzy
Kisi rapper ko bol ke mujhe diss wiss karwale
Tu bara aya mere million karwaega
Apna baap ke tho phele 500 karwale
Fake followers or views tho barale boy
Ye jung kon jeetega teri meri bet hai

Mafia ki duniya bacha bhot lat hai
Teri zaban mai tujhe diss facts hai
Mera diss wo deserve nahi karte
Jo chat pe bhot hard, moun pe dil phenk hai
I'm the first and I'm the only one
North ke top pe mehsoos karoon akelapan
Guns ballay ring ring ye aslay hai
11b ko mere verses se maslay hai
Ma baacha hoon 5e mera hai
Nikaldenge agar andar tere keera hai
Shera hai wo 5e ke liye heera hai
