Tu meri hai meri hi reh
Ab jeene ko jee na karien
Dobara ye haath tu thaam le
Agar chahte ki hum na marein

Shikayat ab aake karien
Andhere se na hum dare
Aaja oo aajaa oo saathi
Aaja oo aajaa oo saathi

Uth gaya hu soke tu jagane ko na aayi aaj
Khusboo teri meri bistar me to teri aayi yaad
Shaant hu bahar se mere andar chal rha gunfight
Zindagi he kaali and I miss you like my synlight

I'm glad ki tu khush hai but I'm sad ki tu
Khush hai yesab dekh ke yo mere saath ho raha
Baby, i'm dead kaafi time se, fasa hun apne jaal me
Ab farak nahi tumhe kyn main ro raha

Request hai tujhse maaf kardena
Kuch achaa bolke kuch ache khwab bhar dena
Ghar pade dil pe to hum chahte use theek karein
Jaldi ki to chhodo ye to kabhi bharte na

Mere ghar me kabhi pohchi hi nai roshni
Josh badhe roj lekin khoya usme hosh nai
Mera isme dosh nai ki mera hai koi dost nai
Apno se bichad ke inko lagta hua loss nai

Na dil pe mere kaabu, na dimaag me control
Mujhe kisise tha pyaar hua diya use bol
Use kehna laga jaan jese she became my soul
If world is a drama, then she played the best role

Tere aage jaan he kya
Kehne do jo kehte hai wo kehne waale jaane kya
Ye ladka tera pyaar nai ab ye bas ek haiwan hai kya
Aasan hai kya yu jeena ese jisme tu ab he
Nahi wo ghar hi kya makaan hi kya
Main tujhko khudme dekhta nai
Khudko tujhme dekhta hu
Kareeb he kuch cheejein par
Naseeb me nai to fekta hun
Galti kari isliye ye ghutne ab main tekta hun
Jaha kahi bhi he wo uski jhalak bas main dekh pan

Dua karo koi mere liye dua karo
Fade kardo mujhe ya jalado dhua dhua karo
Rooh maange shaanti aur wo bhi tere sang
Use nai pata ye sachh ki ab ek nai hum

Tu meri hai meri hi reh
Ab jeene ko jee na karien
Dobara ye haath tu thaam le
Agar chahte ki hum na marein

Shikayat ab aake karien
Andhere se na hum dare
Aaja oo aajaa oo saathi
Aaja oo aajaa oo saathi

Aa jao sathi mere hamsafar
Tum laapata aate kam nazar
Tu hi hai roshni ujalo me
Mere jawaab manjod hai in sawalon me

Kya naam du tujhe mujhe yeh bhi ni pata hai
Kal se baat bhi ni hue tu eslie mujhse khafa hai
Aae khuda bata
Meri yha kya saza hai
Kya mera pyar karna usse bhi mana hai

Woh diwani ho ghi pagal mere pyar me
Duniyadari me dooba hua star mein
Sabhi aae kya ilzaam du mein daur ko
Mein tujhme dhundhta hun kisi or ko

Mein chale jan door like I'm never coming back
Mein uda mujhe lake do ek peg
Us peg mein sarab or mein dalu ni
Uska khyal es dimag se nikaln ni

Taapu boli mujhe khauf aae
Kyuki overdose me woh yaad aae
Pardadari karu mehfile me chor du
Jab kabhi bhii mehfile me baat aae
Yes, I'm gone tujhse door rhna
I think is the reason that I made it
Kal tak tha sath aaj tu gayab
You are faded
Tu nazro se door hai tu laapata
Wer u act mujhe kya pata

Tu meri hai meri hi rehh
Ab jeene ko jee na karien
Dobara ye haath tu thaam le
Agar chahte ki hum na marein

Shikayat ab aake karien
Andhere se na hum dare
Aaja oo aajaa oo saathi
Aaja oo aajaa oo saathi
