

## Spy

Tait

I've watched you watchin' me  
But I can't see what you see  
You ask me how I feel  
But you don't believe me still  
No  
Cause what I say  
Is here today  
And gone tomorrow

You treat me like a spy  
When I come around  
Just like a private eye  
Roamin' through your town  
You treat me like a spy  
And I can't see why

If only looks could kill  
You taunt me  
You doubt my faith  
But you shove it in my face  
You tempt me  
But I won't bend  
You've wasted your time again  
Yeah  
And it's a shame  
Will you ever change  
You're so suspicious

You treat me like a?  
You treat me like a?  
You treat me like a spy
