

Ain't That a Lot of Love

Taj Mahal

You gotta dig it, baby

Yes, yes, yes know the deserts couldn't hold all the love that I have
in my heart for you

If I could spread it out across the sea you know my love would cover
it all up

Ain't that a lot of love for two hearts to have and hold

Now if the cooks in the kitchen had a dress as tight yours, they would
n't need a fire

Ain't a word I could say just describe your fine looks and loving desire

Ain't that a lot of love for two hearts to have and hold

Baby, you got a smile, so rare

You got a kiss, so good

You got a hug, so nice

Whole lot of loving, baby, baby

Ain't that a lot of love for two hearts to have and hold

Now if the bees only knew how sweet your love was, they'd pack up the
ir honey comb

If the birds ever heard how sweet your voice was, they'd pack up the
ir song, yeah

Ain't that a lot of love for two hearts to have and hold

Ain't that a lot of love for two hearts to have and hold

Baby, ain't that kindness

Baby, ain't that a kindness

Woman, ain't that a kindness

Got to tell you that's all kindness

We got to get it together now

We got to get it all together

Baby, ain't that a whole lot of loving

Woman, ain't that a whole lot of loving

Baby, ain't that a loving

Baby, ain't that a kindness

Woman, ain't that a kindness

Woman, ain't that a kindness

Somebody, somebody tell me

Somebody, somebody tell me

Somebody, somebody please

Somebody, somebody tell me

Somebody, somebody please

Somebody, somebody somewhere

Somebody, somebody tell me

We got to have a lot of loving

Know the desert couldn't hold all the love that I have in my heart for
you

If I could spread it out across the sea I know my love would cover it
all up

Ain't that a lot of love for two hearts to have and hold
Ain't that a lot of love for two hearts to have and hold
Ain't that a lot of love for two hearts to have and hold
Ain't that a lot of love for two hearts to have and hold
