

Do Nothin' Till You Hear From Me

Taj Mahal

Do nothing 'til you hear from me
Pay no attention to what's said
Why people tear the seams of anyone's dream
Honey, is over my head

Do nothing 'til you hear from me
At least consider our romance
If you should take the words of others you've heard
And darling, I just don't have a chance

True, I've been seen with someone new
But that does that mean, that I've been untrue?
While we're apart, all the words in my heart
Reveal how I feel about you

Some kiss may cloud my memories
And other arms may hold a thrill
But please do nothing 'til you hear it from me
And you never will

True, I've been seen with someone new
But that does that mean, that I've been untrue?
While we're apart, all the words in my heart
Reveal how I feel about you

Some kiss may cloud my memories
And other arms may hold a thrill
But please do nothing 'til you hear it from me
And you never will

Oh, no, no, no, no, no, baby, you never will
Uh, uh, uh, uh, you never will
No, you never hear, you never hear no su-su-su-su-su, baby
You never will
