Having no one next to me.
Having no money nor hope.

You're above the clouds,
While I'll be in the junkyard forever!
Eh!?!?!?!?!?
No way!!!!!!
I can't stand not being able to kiss you!
Peek-a-boo!
I'll bet everything!
The sorrow! Unchanging thoughts!
Heading to where you are!!

Tho this love won't come true,
I don't see anyone but you!
(Ah!!!!!!)
Don't drive me crazy anymore□□
Don't make me fall into the swamp of love!
(Yeah!!!!!!)
You're the only one gaining happiness!!!
That's sly!! Increase the slot of
YOUR FIRST PRIORITY!!!!
Damped pillow, throughout the year, crying□□
The heart in my eyes never disappeared!

I'm always captivated.
Can't calm my mind down.
Delusions end at the climax with us making out.
What an idiot (lol). Fed up with it!

Tho I'm always watching,
Can't speak a thing, introvert.
Even if I polish myself,
I can never beat them~!
But my love towards you is real!
I'll love you more than anyone else!
I won't move on without giving up?
Tell me, how many percentages?
Dying, for real (lol) I'm done with it.
That's all for today.

No way!!!!!!
I can't stand not being able to kiss you!
Peek-a-boo!
I'll bet everything!
The sorrow! Unchanging thoughts!
Heading to where you are!!

Tho this love won't come true,
