No big deal, isn't it? Cuz I'm marvelous.  
I'll seize him, no doubt, secretly.  
No big deal, isn't it? Cuz show off makes me feel sick.  
Sly bitch, I'll seize him from you.  
"I worship you!" Indeed, I don't think you are precious at all. (lol)  
Wanna destroy it until I'm satisfied.  
My feeling towards you is a lie, but it's not a lie too.  
I can't help. Grudge's burning. FIRE. FIRE.

Can't get excited for the things I already have.  
I can see the jewels on your hand from far away.  
Welp, he looks like another playboy.  
My world. Come and I'll thank you so much.  
100% sure that he's good at "thrusting".  
In brief, that gives you an extra score. While no love towards you at all.  
Huh? Yeah I'm a bitch? Problem?  
All I want to do is to capture dicks that caught my fancy.  
Wanna be your only one, "My love".  
The thrill it provides is irresistible.  
Never let my friend find out about this.  
It's all right. The devil who sends you love.  
I don't care how the others think.  
If we get caught, we are dying TOGETHER.  
Come to me.  
Since I'm cuter than your girl.  
It's my landslide victory. Since I match you more than her.  
Come to me.  
Looking forward to kissing you.  
Getting really excited towards the future.

No big deal, isn't it? Cuz I'm marvelous.  
I'll seize him, no doubt, secretly.
