Please!! Become!!
Mutual!! Love!!

Attentive responses, teasing
Don't make me love you even more□□
Want you to say it□□
"I love you more than anyone else"
It's not funny being in an unrequited love!!

Bye bye!?
You should realize I wanna be with you□□
I couldn't hate you
Don't be so kind to me□□
It won't end!!
Reckless and frustrating love
I accept the challenge!
Let it come true!

Thought you won't speak to someone like me
Thought we will never get along well
You reached out to me
Warmed my lonely heart□□

Thoughtfully
Making me laugh
Having the enjoyable conversations
Making me happy

Just like my feelings
The sky becomes beautiful
Ah! "The wind of love" blows up!

Nonetheless
You don't seem like it□□
You naturally keep in touch □□
I know, it's grim□□
But I feel happy when I'm with you!
I'm in love!!!

Juice of love
Churu~chu~chu~ru~ru~!
Wanna control your brain
Churu~chu~chu~ru~ru~!
Wanna kiss you! Wanna hold your hands!
Which!! Means!!
Please!! Become!!
Mutual!! Love!!
