I don't want to go. I can't refuse the invitation.
Continuous regrets of IRA standing
I can not say what I want to say.
Let me live as you please.

I'm only blaming myself every night another 100 Flowers of anxiety Bloom
I'm not sure if I'm going to be able to do that, but I'm not going to be able to do that.

I don't want to be hated anymore.

The blade of the eye of the piercer Ah want to quit and want to lose weight

I feel like I'm not myself.

I'm here to take my chance.

I didn't have a dream.

I don't know. I just play.

Your boss, your teacher, your classmate, shut up.

Now, I want you to stay alone for the rest of your life.

My parents and my ex-boyfriend would shut up.

Now, I want you to stay alone for the rest of your life.

People in TV.

You didn't tell me the truth, did you?

He smiles and says, "I'm fine."

I'm crying.

If I can talk to the guys who are crazy and unreasonable

I'm sure the world that I see is different.

I don't want to go. I can't refuse the invitation.

Oh, I'm so sorry.

Oh, I'm sleepy.

I don't want to do anything.

I want to laugh.
