La! La!

Yeah! Eh~ Yeah!

Mr, Miss!! Here!! (□□□□□□
Wish I could hold your hands.
A lump in my throat, emotions overflowing.
Wanna send you my “love”!
Like floating on a pink cotton candy.
All the happiness in the world! Marry me!
Love u drill! Yeah!

“Who you are, what you can do, aside.”
 “For a lifetime, wanna be with you!”
 Can’t wait! Unstoppable excitement!!
 Tho we carry both pain and sadness,
 Great job staying alive! You and I!
 Love you! Love u drill! Yeah!

Cry over the worst days,
Moaning, all alone.
"Seems it's darkness down the path."
Was about to depart, to the afterlife!

At that moment, you and I met!
The world changed from mono-tone to vivid colors!

"It's fine to live the way you want!
Even if you fall,
As long as you learn from it,
It's not a dead-end!"

Your kind words brought me alive.
Because you embraced me,
Max hugging!!!
Repay your love!
Want Wants Wanting Wanted Wanna!!

Keep falling in love!
Wanna keep it as it is!
Stand out of the way! Switch off the mobile.
I don't know! The correct answer to life!??
Forget it for now, on the clouds,
Say Yeah!!!!!!

Chu~! On the verge!? Silent night!
My darling! I love you!
I'm sick of it! Don't ever say "Sayonara"!
Please don't drive me crazy! (;□;)
