Oh~ Oh~!

Goodbye!? Please don't □□
You're still in my brain, nothing but love.
Wanna make you fall in love!
I'll do my best to better myself! To the utmost.
Absolutely precious!
Wanna chase after you until death!

Turning up! (Oh!)
It's candied and melts,
Like vanilla! (Yeah!)
Answer "ILY" with "ILY, too!"
Not enough! (Oh!)
I love you in any way!
Wanna meet you! My heart aches!
I'm dying LOLLOLOL~~~

Been the greatest since you were born!
This world's trash! Except you.
So, that's why you should laugh more.
Make everyone amazed.
Perfection! (Meow!)
During those trashy chain of depression, and days you wanna die,
With my love to you, I'll paint it pink~!
Wanna keep up the pace and ascend!
You and me,
It's showtime!
