

Easy To Love

Take 5

You're so easy to hold
So easy to touch
And when you're not beside me
I miss you so much

Like a beautiful song
You're easy to love

You're so easy to talk to
It's so easy to see
You just captured the moonlight
And gave it to me

It's easy thinking about tomorrow
As long as you're with me today
The road is sometimes hard to follow
But together we'll find a way

You're so easy to talk to
It's so easy to see
You just captured the moonlight
And gave it to me
