

## Please Stay

Take 5

The trouble with my heart is it always goes astray  
I guess that's the reason why you're leaving me this way  
Before you leave my love, there's something I must say  
If you leave, you'll turn my blue skies to grey  
Please stay

Sometimes when you're not here I squeeze my pillow tight  
I need to have you somewhere near to make it turn out right  
So I'll beg you girl - stay just one more night  
If you stay, you'll turn my wrong ways to right  
Please stay tonight

Oh baby stay just one more night

Before you leave my love there's something I must say  
If you leave, you'll turn my blue skies to grey  
Please stay

Oh baby stay just one more night  
Stay I just can't live without you  
Living alone I just can't stand to be all alone  
Living without you I know that I can't be alone  
Stay in my corner
