

Sunrise Goodbye

Take 5

You and I got so tired of getting by
Slow burn, wrong turn, never seeing eye to eye
With every word unsaid, humming in our heads
Waiting till the light turned red at

Sunrise goodbye when she goes away
She ain't coming back for awhile
I know the things I should have done

Long time, thin line, love and hate
Night walls, cracks crawling
With the memories I'll never shake

We didn't have a chance, we didn't have a dime
I waited till you crossed that line at
