

## Come On

Take 6

There used to be a time when I would blame somebody else  
For everything that happened to me (happened to me)  
Nothing ever changed until I turned and asked myself  
I said, "Self, what's wrong with me?" (What's your deal?)

I can't help it (oh no)  
And I can't fight it (I can't fight it)  
Don't wanna hide it (keep hiding)  
The problem seems to be me (it looks like it)

But I remember what the good book said  
To really live you got to be dead  
So I asked for help, died to self (asked for God's help)  
And I've got the victory

Come on everybody, we're just getting started  
Rocking the party, 'cause we've got the victory  
Come on everybody, we're dancing to glory  
Rocking the party, 'cause we've got the victory

Thought I knew it all, always teaching somebody else  
Like the perfect one was me, myself and I (me, myself and I)  
When it fell apart, I was standing all by myself  
And I found the answer to the question "why?" (question "why?")

I can't help it (oh no)  
And I can't fight it (I can't fight it)  
Don't wanna hide it (keep hiding)  
The problem seems to be me (it looks like it)

I remember what the good book said  
To really live you got to be dead  
So I asked for help, died to self (asked for God's help)  
And I've got the victory

Come on everybody, we're just getting started  
Rocking the party, 'cause we've got the victory  
Come on everybody, we're dancing to glory  
Rocking the party, 'cause we've got the victory

This life is a journey, the process of learning  
Where God is the answer and love is the key  
Oh, the prize is waiting for you and for me  
To cross the finish line and claim the victory

Come on everybody, we're just getting started  
Rocking the party, 'cause we've got the victory  
Come on everybody, we're dancing to glory  
Rocking the party, 'cause we've got the victory

Anybody wanna win?  
Say yeah (yeah)  
Yeah (yeah)  
Clap your hands (yeah)  
Say yeah (yeah)...  
Oh I know I've got the victory

Come on everybody, we're just getting started  
Rocking the party, 'cause we've got the victory  
Come on everybody, we're dancing to glory  
Rocking the party, 'cause we've got the victory

(Yeah)

(Yeah)

(Yeah)...

Oh I know I've got the victory
