

I'll Be There

Take 6

Wherever you go I want you to know
I'm a step ahead of you
And whatever you need
You can believe what I say I'll do, I'll do

I'll be there when you feel you can't go on
I'll be there when all hope is gone
I'll be there like a beacon in the night
I'll be there to make what's wrong right

I'll be there whenever you call
I'll be there to catch you when you fall
I'll be there to wipe all your raindrops away
Sunshine's on the way, sunshine's on the way

Whenever it rains, I'll ease your pain
And chase the clouds away
Don't be afraid of what you can't see
Just call on me and I will lead the way

I'll be there when you feel you can't go on
I'll be there when all hope is gone
I'll be there like a beacon in the night
I'll be there to make what's wrong right

I'll be there whenever you call
I'll be there to catch you when you fall
I'll be there to wipe all your raindrops away
Sunshine's on the way, sunshine's on the way

If you let me be the one
You don't have to run
I will take the fall for you
I love you

And I will be there for you
I will be there for you
I will be there for you if you let me
I will be the one

I will be there for you, oh
I will be there for you
Catch you when you fall

I will be there for you, oh
I will be there for you
Catch you when you fall

I will be there for you, oh
I will be there for you
Catch you when you fall

I will be there for you, oh
I will be there for you
Catch you when you fall
