

# You Make Me Happy

Take 6

Here we go  
Don't you know that  
You make me happy

You make me smiling  
I'm so in love with you  
Like a bright sunny day  
When the clouds rolled away  
My only thought is you  
Like a date at the park  
Like the windy sparks  
The fire that chose you gets true  
Oh oh oh oh oh  
If you knew me like I know you  
You would see the way I do  
Don't you know that  
You make me happy  
You make me smiling  
I'm so in love with you  
I'm so in love with you  
Don't you know that  
You make me happy  
You make me smiling  
I'm so in love with you  
Now, I can't wait 'til you're free  
Can't wait 'til you see  
That you don't have to wait anymore  
You can smile unsteadily  
Were you joy isn't it?  
'Cause that what Mercy Hill was for  
When you'll love me like I love you  
You'll start to know it too  
Don't you know that  
You make me happy  
You make me smiling  
I'm so in love with you  
I'm so in love with you  
Don't you know that  
You make me happy  
You make me smiling  
I'm so in love with you  
LaLaLaLaLa  
LaLaLaLaLa  
LaLaLaLaLa  
LaLaLaLa  
LaLaLaLaLa  
LaLaLaLaLa  
LaLaLaLaLa  
LaLaLaLaLa  
You will never turn my heart from you  
You make me happy  
You make me smiling  
I'm so in love with you  
I'm so in love with you  
Don't you know that  
You make me happy  
You make me smiling  
I'm so in love with you

I'm so in love  
It makes me sing louder  
LaLaLaLaLa  
LaLaLaLaLa  
LaLaLaLaLa  
LaLaLaLa  
Don't you know that  
You make me smile  
LaLaLa...  
Don't you know that  
You make me happy  
LaLaLa...  
Like a breeze on a summer day  
LaLaLa...  
Don't you know that you make me smile
