

Kevin's Interlude

Take Care

I think
Like, Korean people tend to be more flexible
It may not be visible to the... naked human eye
But they can be quite spontaneous
Just like the stars you see up in the sky

I'd say you're pretty spontaneous

I try to be
As you know, there's always two versions of one's self
Whatever shines first takes over you, while the other one stays
in the dark
The shadows cast upon them
