

Now

Take Care

Like if he says something to you or something
And your like "Aww I don't know"

(Ah that's nice)

And like you know you're gonna be nice
But I know you can't think of what you'd say now
But like when you're in the situation
You'll be more natural with it

But uhm...

No...

Just I don't know?

He'll be as sad as anyone who...

(Phone rustling)

... it will be worse to you?

(No I know but I don't want him to do that at all)

I don't, I honestly don't-
