

While

Take Care

Every day with you
Is like a dream
I don't want to wake up
I don't want to wake up

And I think that that's
My biggest fear
That I'm gonna wake up
And none of this is real

I still taste your tongue
In my throat
When I put on my coat
When I go out the door

I still feel your fingers
In my hair
No matter where
I am

And please let me stay
For another while
I know it's getting late
But you feel so nice
