Could It Be Magic

Take That

Spirits move me every time I'm near you Whirling like a cyclone in my mind You're my life line, angel of my lifetime Answer to all answer I can find

[Chorus]

Baby, I want you come, come, come into my arms Let me feel the wonder of all of you Could it be magic now, now, now; and hold on fast Could this be the magic at last?

Baby, take me high upon a hillside High up where the stallion meets the sun I could love you, build my world around you Never leave you till my life is done

[Chorus]

Spirits move me every time I'm near you Whiling like a cyclone in my mind

[Chorus]
